FACILE DA APRIRE

La praticità di un divano letto è data anche dalla facilità della sua apertura: i nostri modelli trasformabili sono dotati di un meccanismo che consente di ottenere velocemente un comodo letto con, al suo interno, un pratico contenitore per riporre i cuscini.

The practicality of a sofabed is given by the ease of opening: our sofabed are equipped with a mechanism that allows to easily have a comfortable bed with a practical storage back for pillows.

L'utilité pratique d'un canapé lit et donne aussi par la facilite d'ouverture du mécanisme: nos modelés rapidos montent un mécanisme qui vous permet de obtenir rapidement un lit confortable avec un coffre range oreiller.

Il meccanismo è stato testato dal laboratorio ricerca e sviluppo CATAS, con prova di apertura a 5000 cicli, frequenza 3 cicli/minuto, con risultato di NESSUN DIFETTO.

Mechanism is tested by a Laboratory research and development CATAS, with opening test at 5000 cycles, frequency 3 cycles per minute, with a no-defect result.

Le mécanisme monte sur nos modèles a été teste par le laboratoire et développement CATAS avec test d'ouverture du mécanisme a 5000 cycles de fréquence a 3 cycles par minute avec résultat AUCUNE DEFAUT.

"Sì," disse Bill, "tempo addietro desiderai la
nderezza. Ma nel mio cielo non c'era allora una
na favorevole. Avevo sperato di rendere un'au-
revole dichiarazione. Ma non c'era stormir di
onde, né lagrime. Avevo sperato di rendere
n'autorevole dichiarazione, conclusa da un'invo-
zione che movesse gli animi. Ma non c'erano
grime se non, forse, lagrime occulte. Forse si
ersavano lagrime nel corso della sera, dopo il
esinare, in seno alla famiglia, ciascuno sulla sua
edia, versando lagrime. Una certa diffidenza av-
olge ancora tale materia. Tu ridevi, seduta nella
ua sedia, con i tuoi occhiali di compensato por-
porino, il tuo the ghiacciato. Avevo sperato di
rendere un significativo contributo. Ma il loro
volto rimase di pietra. Sono caduto in fallo sce-
gliendo Bridgeport? Avevo sperato di produrre
un rialso di consapevolezza. Vidi il loro volto
sorridente. Gaie torme di avventori si dirigevano
dal droghiere per acquistare olio di arachidi, bu-
stine di zafferano, cerotti autoadesivi. Il mio cen-
simento di lagrime era incompleto. Perché avevo
scelto Bridgeport, città del senso occulto? A Ca-
lais si versano lagrime pubblicamente, agli an-
goli delle strade, sotto gli alberi, nelle banche.
Volevo fornire un ragguaglio definitivo. Ma la
mia conferenza non fu un successo. Gli inservien-
ti cominciarono a piegare le sedie pieghevoli
quando non avevo ancora terminato di parlare.
